

ROYAL FLUSH BLOCKS

Non Biological Cistern Blocks

Royal Flush Cistern Blocks are specially formulated toilet freshening and cleaning blocks with slow-release fragrance and scale inhibitors to prevent limescale.

Each block cleans and deodorises with each flush of the toilet, helping to prevent odours and blocked drains and waste pipe.

- Commercial formulation
- Cleans, deodorises and freshens the toilet bowl with each flush
- Helps to prevent limescale
- Lightly fragranced for optimum benefit
- Clean and economical

DIRECTIONS

Close the toilet bowl cover and remove the cistern lid.

Flush the toilet to empty the cistern tank.

Place the block, including its wrapper (which dissolves in the water) into the cistern tank away from the water inlet.

Replace the cistern lid.

When the colour of the water starts to fade, add a new Royal Flush Cistern Block for continuous cleaning and protection.

PACKAGING

Order Code : RFBCB12
Pack Size: 12 x 1 per card

Order Code : RFBCB12/2
Pack Size: 12 x 2 per card

Order Code : RF24 -N
Pack Size: 1 x 24 blocks
